

# Your visit to the Randall Museum

R A N D A L L  
M U S E U M

Are you excited?

---

Do you know what you'll be learning about?

---

Here are a few questions to get you started thinking.

## Air & Wind

1. Who needs air?

---

2. Can you see air? How do you know it's around?

---

3. Is wind -air, or is air-wind?

---

4. What causes wind?

---

5. What is one effect of the wind?

---

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)
