

Your visit to the Randall Museum

RANDALL
MUSEUM

Are you excited?

Do you know what you'll be learning about?

Here are a few questions to get you started thinking.

Creepy Crawlies

1. What do you think of when we say "Creepy Crawlies"?

2. Are these creatures animals?

3. Insects view their world very differently than we do. Do you know how they see?

4. There are so many types of insects- some help us, some are pests. Do you know an insect that helps us to grow food?

5. Did you know that grasshoppers could jump farther than you? Can you guess how far they can jump?

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)

My Goal
