

Your visit to the Randall Museum

RANDALL
MUSEUM

Are you excited?

Do you know what you'll be learning about?

Here are a few questions to get you started thinking.

Geology

1. What is the study of geology ?

2. Do you know the difference between a rock and a mineral?

3. Do you think rocks can tell us about our history?

4. Can you name three types of rocks?

5. How have earthquakes and volcanoes shaped California?

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)
