

Your visit to the Randall Museum

Are you excited?

Do you know what you'll be learning about?

Here are a few questions to get you started thinking.

Green & Growing

1. What is our favorite color in this class?

2. Plants need many of the same things we do to live. What is one thing you need to live?

3. Plants have body parts. Can you name one?

4. There is a special fruit that we wear everyday. Do you know what it is?

5. Plants grow from what?

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)

My Goal

RANDALL
MUSEUM
