

Your visit to the Randall Museum

RANDALL
MUSEUM

Are you excited?

Do you know what you'll be learning about?

Here are a few questions to get you started thinking.

Water

1. Who needs water?

2. Where are some of the places water is found?

3. What is water made of?

4. What is "fresh water"?

5. What is "saltwater"?

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)

My Goal
