

Your visit to the Randall Museum

Are you excited?

Do you know what you'll be learning about?

Here are a few questions to get you started thinking.

Animal Presentations

1. Have you ever met a wild animal up close?

2. How are animals the same and how are they different from us?

3. What kinds of places do animals live in?

4. Do you have animals in your neighborhood?

5. What is your favorite animal?

If you don't know the answers to these questions- not to worry. We'll help you when you visit The Randall.

What's my goal for this field trip? (Having fun, for sure!)
