

# LEARN THE PARTS OF A HONEY BEE

Study this drawing of a worker bee. Notice all the parts that make up the bee. Many insects have similar body parts. When you think you can remember all the parts, turn the page over and write the names in the correct places.

## FUN FACT

The bees' buzz is the sound made by their wings which beat 11,400 times per minute.

# LEARN THE PARTS OF A HONEY BEE

Write the names of the bee's body parts on the lines below.

## FUN FACT

A honey bee can fly for up to six miles, and as fast as 15 miles per hour.
